Resideche, Nausea, Dizzlinesa, and Drowslness. They stimulate the Stomneh, Liver, and Bowels, to healthy action, assist digestion, and Increase the appetite. They combine cethartic, duretic, and tonic properties of the greatest value, are a purely vegetable compound, and may be taken with perfect safety, either by children or adults. E. L. Thomes, Framingham, Mass., writes: "For a number of years I was subject to violent Headaches, arising from allowdered condition of the stomach and bowels. About a year ago I commenced the use of Ayer's Pillis, and have not had a headache since." W. P. Hannah, Gormely P. O., York Co., Out., writes: "I have used Ayer's Pillis for the last thirty years, and cen actly say that I have never found their equal as a cethartic medician." C. P. Morov, Eigin, Ili., writes: "Indigestion, Headache, and Loss of Appetite, had so weakened and debiintated my system, that I was obliged to give up work. After being under the doctor's care for two weeks, without getting any relief, I began teking Ayer's Pillis. My appetite and strength returned, and I was soon cnalled to resume my work, in perfect health."

Colonel C. B. Childe and his engineering corps, consisting of Mesars. James Sronfe, Howell Barkley and Will Shack-leford, are enguged this week in locating and staking off the route of the Mayswille and Big Sandy roal through the Fifth Ward. The route selected will cross Limestone Creek below the Second street bridge, and will run through private property most of the way as far up as Lexington street. The committee appointed isat week will go to work in a few days and do what it can to aid in securing the right of way from owners of property in this city.

RIYER NEWS.

RIVER NEWS.

Big Sandy is rising fast.

River rose to about twenty-three feet at Pittsburg and is now falling slowly.

River rose several feet here last night, and is climbing the banks fast to-day.

New River rose to thirteen and one-half feet at Hinton and is now falling.

The floods at the headwaters of all the streams above will make a big river here. The iumber men along the Allegheny and Monogahela sustained a loss of \$3,000,000 by the floods this week.

Ten thousand railroad ties and two thousand logs were swept out of the Little Kanawha on the present rise.

Tuesday evening there were twenty-seven and one-haif feet in the Kanawha at Charleston and rising four inches an
